

JMU RESIDENCE LIFE PERCEPTION STUDY

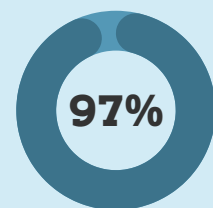

SPRING 2022

LIVE SAFE: SAFETY & SECURITY

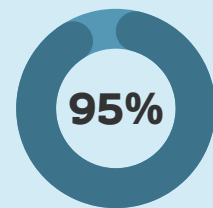

All Residence Halls have Card Access systems that only allow access to occupants and their guests. Each hall has a staff that lives in the building and is available to assist with routine questions to emergency situations. All Halls must meet all state mandated fire codes including centralized alarm systems that communicate alarms directly to the fire department and JMU police whenever the system is activated. Rooms are equipped with hard wired smoke detectors and heat sensors.
